How To Access the National Safety Council's Online Defensive Driving Course

Before You Begin

Before you can register for and take the online Defensive Driving Course (DDC), you must have an access code number.

- Employees taking the online course can obtain an access code from their employer.
- Employers should contact Selective Insurance via email to obtain access codes for their employees.

Once you have received your unique registration number, please follow the instructions below.

New Students:

1. Go to www.safetyserve.com/selective
2. Click on the **New Student** button.
3. Click on the link entitled **Click here for New Student Registration**
4. Type in the Serial Number/Access Code assigned to you in the box marked "*Please enter your Access Code*" and click **Submit**.
5. You will be presented with a **Registration** page. Type in your information, including a Login ID and a Password of your choice, and click on **Submit**. (**Please note** – you will receive a confirming email reminding you of the user name and password you created for access to the site at a later date. You should only register as a New Student one time.)
6. On the **My Place** page, click on **Safety**.
7. Then on the **My Courses** Page, click on **NSC Defensive Driving II** to begin the course.

Returning Students:

1. Go to www.safetyserve.com/selective
2. Click on the **Returning Student** button.
3. Type in your Login ID and your Password, created by you during registration, and click on **Login**.
4. On the **My Place** page, click on **Safety**.
5. Then on the **My Courses** Page, click on **NSC Defensive Driving II** to begin the course.
