**PROXY STATEMENT
FOR THE 2006 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD APRIL 26, 2006**

GENERAL INFORMATION ABOUT SELECTIVE'S ANNUAL MEETING

WHEN AND WHERE IS THE ANNUAL MEETING?

The 2006 Annual Meeting of Stockholders (the "Annual Meeting") will be held on Wednesday, April 26, 2006, at 11:00 AM in the Auditorium at Selective's principal offices at 40 Wantage Avenue, Branchville, New Jersey 07890. Directions are on the back of the proxy statement.

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

Anyone who owned Selective common stock as of the close of business on March 10, 2006, is entitled to one vote per share owned. There were 27,510,071 shares outstanding at the close of business on that date.

WHO IS SOLICITING MY PROXY TO VOTE MY SHARES AND WHEN?

Selective's Board of Directors ("Board of Directors" or the "Board") is soliciting your "proxy," or your authorization for our named proxies, Paul D. Bauer and Joan M. Lamm-Tennant, to vote your shares. Unless revoked by you, your proxy will be effective for the Annual Meeting and for any adjournments or continuations of that meeting.

WHAT IS THE COST OF SOLICITING PROXIES AND WHO IS PAYING FOR THE COST?

Selective is bearing the entire cost of soliciting proxies. Proxies will be solicited principally through the mail, but may also be solicited personally or by telephone, telegraph, or special letter by directors, officers, and regular Selective employees for no additional compensation. Selective has engaged Georgeson Shareholder Communications Inc. ("Georgeson"), a proxy solicitation firm, to assist in the solicitation of proxies and the distribution of proxy materials, including reviewing Selective's proxy materials, disseminating broker search cards, soliciting a proxy service company, brokers, banks, and institutional holders, and delivering executed proxies. Georgeson will provide such services for an estimated fee of approximately \$7,500 plus expenses. Selective will reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries for reasonable expenses incurred by them in sending proxy materials to their customers or principals who are the beneficial owners of shares of Selective common stock.

WHAT ARE THE REQUIREMENTS FOR BUSINESS TO BE CONDUCTED AT THE ANNUAL MEETING?

For business to be conducted at the Annual Meeting, a quorum of 13,755,036 Selective stockholders (a majority of the issued and outstanding shares entitled to vote) must be in attendance or represented by proxy.

PROPOSALS FOR STOCKHOLDER VOTE AND APPROVAL REQUIREMENTS

Management is presenting three (3) proposals for a stockholder vote.

PROPOSAL 1. ELECTION OF DIRECTORS

THE BOARD RECOMMENDS THAT YOU VOTE FOR:

- THE FOUR NOMINATED CLASS II DIRECTORS: A. DAVID BROWN; WILLIAM M. KEARNS, JR.; S. GRIFFIN MCCLELLAN III; AND J. BRIAN THEBAULT;
- THE TWO NOMINATED CLASS III DIRECTORS: JOHN C. BURVILLE AND JOHN F. ROCKART; AND
- THE ONE NOMINATED CLASS I DIRECTOR: W. MARSTON BECKER.

You can find information about these nominees, as well as information about Selective's Board of Directors, its committees, compensation for directors, and other related matters beginning on page 7.

New Jersey law and Selective's By-laws govern the vote on Proposal 1, on which you may:

- Vote in favor of all the nominees;
- Withhold your votes as to all nominees; or
- Withhold your votes as to specific nominees.

Assuming a quorum, to be elected, a candidate must receive a plurality of the votes cast at the Annual Meeting in person or by proxy. Stockholders may not cumulate their votes. Abstentions and broker non-votes will have no effect on the outcome of the vote.

PROPOSAL 2. APPROVAL OF THE SELECTIVE INSURANCE GROUP, INC. STOCK PURCHASE PLAN FOR INDEPENDENT INSURANCE AGENCIES (the "Agencies Stock Purchase Plan")

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE AGENCIES STOCK PURCHASE PLAN.

You can find information about the Agencies Stock Purchase Plan beginning on page 30.

New Jersey law and Selective's By-laws govern the vote on Proposal 2, on which you may:

- Vote in favor of Proposal 2;
- Vote against Proposal 2; or
- Abstain from voting.

Assuming a quorum, the proposal will pass if approved by a majority of the stockholders present in person or represented by proxy and entitled to vote at the Annual Meeting. Abstentions will have the same effect as votes against Proposal 2 and broker non-votes will have no effect on the outcome of the vote.

PROPOSAL 3. RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

THE BOARD RECOMMENDS THAT YOU VOTE TO RATIFY THE APPOINTMENT OF KPMG LLP AS INDEPENDENT PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006.

You can find information about Selective's relationship with KPMG LLP beginning on page 33.

New Jersey law and Selective's By-laws govern the vote on Proposal 3, on which you may:

- Vote in favor of Proposal 3;
- Vote against Proposal 3; or
- Abstain from voting.

Assuming a quorum, Proposal 3 will pass if approved by a majority of the stockholders present in person or represented by proxy and entitled to vote at the Annual Meeting. Abstentions will have the same effect as votes against Proposal 3 and broker non-votes will have no effect on the outcome of the vote.

OTHER MATTERS TO COME BEFORE THE ANNUAL MEETING

The Board of Directors is not aware of any other business to be presented for a vote of the stockholders at the Annual Meeting. If any other matters are properly presented for a vote, the people named as proxies will have discretionary authority, to the extent permitted by applicable law and NASDAQ Stock Market (“NASDAQ”) and United States Securities and Exchange Commission (“SEC”) rules and regulations, to vote on such matters according to their best judgment.

The Chairman of the Annual Meeting may refuse to allow presentation of a proposal or nominee for the Board of Directors if the proposal or nominee is not properly submitted. The requirements for submitting proposals and nominations for this year’s meeting were the same as those described on page 35 for next year’s meeting.

VOTING AND PROXY PROCEDURE

HOW DO I VOTE?

You can vote four (4) ways:

1. **BY MAIL.** Mark your voting instructions on, then sign and date the proxy card. Then return the proxy card in the postage-paid envelope provided. If you mail your proxy card, we must receive it before the beginning of the meeting.

If we receive your signed proxy card, but you do not give voting instructions, the named proxies will vote your shares FOR Items 1, 2, and 3. If any other matters arise during the meeting that require a vote, the named proxies will exercise their discretion, to the extent permitted by applicable law and NASDAQ and SEC rules and regulations.

2. **BY TELEPHONE.** Call the toll-free number on your proxy card to vote by phone. Follow the instructions on your proxy card and the voice prompts. **IF YOU VOTE BY TELEPHONE, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.**
3. **BY INTERNET.** Go to the website listed on your proxy card to vote through the Internet. Follow the instructions on your proxy card and the website. If you vote through the Internet, you may incur telephone and/or Internet access charges from your service providers. **IF YOU VOTE BY INTERNET, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.**
4. **IN PERSON.** Attend the Annual Meeting, or send a personal representative with an appropriate proxy, in order to vote.

HOW DO I REVOKE MY PROXY OR CHANGE MY VOTING INSTRUCTIONS?

You may revoke your proxy by writing to the Corporate Secretary, Michael H. Lanza, at the address in the meeting notice on the cover of this proxy statement. You may also change your vote before the proxy is exercised by entering a new vote via the Internet, by telephone, or by returning a properly executed proxy bearing a later date. Any subsequent timely and valid vote by any means will change your prior vote. For example, if you voted by telephone, a subsequent Internet vote will change your vote. The last vote received before noon central time, April 25, 2006 will be the vote that is counted. You may also change your vote by voting in person at the Annual Meeting.

HOW WILL PROXIES BE VOTED IF I GIVE MY AUTHORIZATION?

If you properly execute your proxy on the accompanying form, return it to Selective, and do not subsequently revoke your proxy, your shares of common stock will be voted at the Annual Meeting in accordance with your instructions. In the absence of instructions, the named proxies will vote your shares “FOR” the election of each director nominee, “FOR” the approval of the Agencies Stock Purchase Plan, and “FOR” the ratification of the appointment of KPMG LLP as Selective’s independent public accountants. If other matters should properly come before the meeting, the named proxies will vote on such matters, to the extent permitted by applicable law and NASDAQ and SEC rules and regulations, in accordance with their best judgment.

HOW WILL VOTES BE COUNTED?

The inspector of elections appointed by the Board of Directors for the Annual Meeting will separately tabulate affirmative and negative votes, abstentions and “broker non-votes” (shares held by a broker, bank or other nominee that does not have authority, either express or discretionary, to vote on a particular matter). Shares represented by proxies that reflect abstentions and broker non-votes are counted for determining whether there is a quorum. Abstentions and broker non-votes will not be considered in determining whether director nominees have received the requisite number of affirmative votes. For each of the remaining proposals, approval will require the affirmative votes of the holders of a majority of the total number of the votes of the stockholders present at the Annual Meeting or represented by proxy and entitled to vote on the proposal. For each of these remaining proposals, abstentions will have the effect of a vote “Against” such proposal, and broker non-votes, although counted for purposes of determining the presence of a quorum, will have the effect of a vote neither for nor against such proposal.

WHAT IF MY SHARES ARE NOT REGISTERED IN MY NAME?

If you own your shares in “street name,” meaning that your broker is actually the record owner, you should contact your broker. When a broker does not have voting instructions and withholds its vote on one of these matters, it is called a “broker non-vote.” Broker non-votes count toward a quorum, but otherwise do not affect the outcome of any proposal.

Stock Purchase Plan for Independent Insurance Agents

History

Selective's Board of Directors adopted the Selective Insurance Group Stock Purchase Plan for Independent Insurance Agents (the "Original Independent Agents Plan") initially in May 1989 and most recently amended the Independent Agents Plan on July 24, 2000. At the Annual Meeting, the Board is seeking shareholder approval of a new Agencies Stock Purchase Plan, which, if approved, would replace the Original Independent Agents Plan. If the new Agencies Stock Purchase Plan is not approved by stockholders, the Original Independent Agents Plan will remain in effect. Please see Proposal 2 for information regarding the Agencies Stock Purchase Plan.

The Plan

Selective's Board of Directors adopted the Original Independent Agents Plan to motivate persons performing independent insurance agency services for Selective by enabling them to participate in Selective's long-term growth and success by purchasing shares of Selective's common stock at a discounted price. The purchase price for shares offered under the Original Independent Agents Plan is the average of the high and low sale prices of Selective's common stock quoted on NASDAQ on the date of purchase, less a discount of 10%.

Eligibility

Each independent insurance agency which is under contract with Selective's insurance subsidiaries to promote and sell Selective insurance products is eligible to participate in the Original Independent Agents Plan and to purchase shares of Selective's common stock under the plan. Also eligible to purchase shares under the Original Independent Agents Plan are: the principals of such agencies, general partners, officers and stockholders of eligible insurance agencies, key employees of eligible insurance agencies designated by the principals, general partners or officers of the agencies, their individual retirement plans, their Keogh plans, and employee benefit plans of eligible insurance agencies.

Restrictions on Shares Purchased under the Plan

Shares purchased under the Original Independent Agents Plan are restricted for a period of one year beginning on the date of the day after the purchase. During this one-year period, shares purchased under the Original Independent Agents Plan cannot be sold, transferred, pledged, assigned or disposed of in any way.

INFORMATION ABOUT PROPOSAL 1 Election of Directors

Selective's Board of Directors currently has twelve (12) directors, divided into three (3) classes designated Class I, Class II, and Class III. Pursuant to Selective's Restated Certificate of Incorporation, as amended, and its By-laws, Selective may have a minimum of seven (7) and a maximum of twenty (20) directors. By majority vote, the Board of Directors may set the number of directors within this range at any time.

Under Selective's By-laws, directors are elected at the Annual Meeting for terms of three (3) years, unless a director is being elected to fill a vacant, unexpired term. No family relationships exist between any of Selective's current directors, executive officers, and persons nominated by Selective to become a director. At present, the Board has authorized twelve (12) directors.

The Board nominated four (4) Class II directors to stand for election at the Annual Meeting for terms expiring at the 2009 Annual Meeting or when a successor has been duly elected and qualified: A. David Brown; William M. Kearns, Jr.; S. Griffin McClellan III; and J. Brian Thebault.

The Board also nominated two (2) Class III directors to stand for election at the Annual Meeting for a term expiring at the 2008 Annual Meeting or when a successor has been duly elected and qualified: John C. Burville and John F. Rockart. Dr. Burville was recommended by a third party search firm and non-management directors of Selective and was appointed to the Board effective January 1, 2006. Dr. Rockart is presently a Class II director whose term expires at the 2006 Annual Meeting.

The Board also nominated one (1) Class I director to stand for election at the Annual Meeting for a term expiring at the 2007 Annual Meeting or when a successor has been duly elected and qualified: W. Marston Becker. Mr. Becker was recommended by a third party search firm and non-management directors of Selective and was appointed to the Board effective February 13, 2006.

All seven (7) nominees have consented to being named in this proxy statement and to serve if elected and the Board does not know of any reason why any of these nominees would decline or be unable to serve if elected. If a nominee becomes unavailable or unable to serve before the Annual Meeting, the Board can either reduce its size or designate a substitute nominee. If the Board designates a substitute nominee, proxies that would have been cast for the original nominee will be cast for the substitute nominee unless instructions are given to the contrary.

EXECUTIVE OFFICERS

Information regarding Executive Officers is incorporated by reference to Selective's Annual Report on Form 10-K in the item in Part I captioned "Executive Officers of the Registrant."

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Management and Others/Certain Business Relationships

William M. Rue, a Selective director, is President, and owns more than 10% of the equity, of Rue Insurance, a general independent insurance agency. Rue Insurance is an appointed independent agent of Selective's insurance subsidiaries and Selective HR Solutions, Inc., Selective's human resources administration subsidiary (together with its subsidiaries, "Selective HR Solutions"), on terms and conditions similar to those of other Selective agents, including the right to participate in the Original Independent Agents Plan and the Agencies Stock Purchase Plan, if approved. Rue Insurance also places insurance for Selective's business operations. Selective's relationship with Rue Insurance has existed since 1928 and Selective expects that its relationship with Rue Insurance will continue in 2006. In 2005:

- Rue Insurance wrote insurance policies accounting for \$10.2 million in direct written premiums with Selective's insurance subsidiaries and Selective's insurance subsidiaries paid Rue Insurance \$1.9 million in commissions.
- Rue Insurance wrote contracts accounting for \$64,000 in fees with Selective HR Solutions and Selective HR Solutions paid Rue Insurance \$15,000 in commissions.
- Selective paid \$0.2 million in reinsurance commissions to P.L. Services, LLC t/a Public Alliance Group Administrative Services, an insurance fund administrator of which Rue Insurance owns 20% and which places reinsurance through Selective Insurance Company of America ("SICA"), a Selective insurance subsidiary.
- Selective paid \$0.6 million in premiums for insurance coverages that Rue Insurance wrote with non-Selective insurance companies for Selective's own operations, for which Rue Insurance was paid commission pursuant to its agreements with those carriers.

The son of S. Griffin McClellan III, a Selective director, S. Griffin McClellan IV, is an Assistant Vice President of Selective's subsidiary, SICA. In 2005, Mr. S. Griffin McClellan IV received \$140,229 in cash compensation, primarily comprised of salary, bonus and tuition reimbursement, and a grant of 962 shares of restricted Selective common stock. Mr. S. Griffin McClellan IV's compensation was determined in accordance with SICA's standard employee compensation practices. Mr. S. Griffin McClellan III was a member of the Audit Committee in 2005. As of the 2006 Annual Meeting, he will no longer serve on that committee.

Indebtedness of Management

Certain loans were previously made by Selective to executives that are grandfathered under the Sarbanes-Oxley Act of 2002 and were authorized by the Board of Directors to encourage Selective stock ownership. On December 16, 1994, Selective made a loan to Jamie Ochiltree, III, now Selective's Senior Executive Vice President, Insurance Operations, in the original principal amount of \$197,000 at an annual interest rate of zero percent and a maturity date in 2005 to finance the exercise of non-qualified stock options to purchase Selective common stock granted on the same date. On August 7, 1998, Selective made a loan to Mr. Ochiltree in the original principal amount of \$98,799 at an annual interest rate of 2.5% and a maturity date in 2009 to finance the purchase of Selective common stock in the open market. The largest aggregate amount of such indebtedness outstanding at any time during the fiscal year 2005 was \$116,403. Mr. Ochiltree paid the 1994 loan in full as of February 2005. As of March 10, 2006, the outstanding principal amount under the 1998 loan was \$43,471.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires Selective's directors and executive officers, and persons who own more than 10% of a registered class of Selective's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Selective's equity securities. Such executive officers, directors, and greater than 10% stockholders are required by SEC regulation to furnish Selective with copies of all of the Section 16(a) Exchange Act reports that they file. Based solely on its review of the copies of Forms 3, 4, and 5 or written representations from certain reporting persons that no Forms 5 were required for those persons, Selective believes that all reporting requirements under Section 16(a) for the fiscal year ended December 31, 2005, were met in a timely manner by its directors, executive officers, and greater than 10% beneficial owners.

CODE OF CONDUCT

Selective has adopted a Code of Conduct which sets forth the guiding principles of business ethics for all Selective personnel, including executive officers. The Code of Conduct can be found under the Corporate Governance section of Selective's website, www.selective.com. Any amendment to or waiver from the provisions of the Code of Conduct that applies to Selective's senior executive officers will be posted to Selective's website, www.selective.com.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors held seven (7) meetings in 2005.

The Board has five (5) standing committees: Audit, Corporate Governance and Nominating, Executive, Finance, and Salary and Employee Benefits. The Audit, Corporate Governance and Nominating, Finance, and Salary and Employee Benefits Committees have written charters, all of which can be found under the Corporate Governance section of Selective's website, www.selective.com.

All of the members of the Audit Committee, the Corporate Governance and Nominating Committee, and the Salary and Employee Benefits Committee are independent directors as defined by NASDAQ and SEC rules and regulations.

All directors attended 75% or more of the meetings of the Board of Directors and the committees of which they are members in 2005.

It is Selective's policy that all directors are expected to attend the Annual Meeting. All directors attended the 2005 Annual Meeting.

DIRECTOR SELECTION PROCESS

The Corporate Governance and Nominating Committee is responsible for reviewing candidates for election to Selective's Board of Directors that are identified by Board members, management, and/or third party search firms and selecting nominees for approval by the stockholders. In making selections, the Corporate Governance and Nominating Committee reviews the attributes and criteria required in light of current Board membership, including experience, skills, expertise, diversity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and other relevant factors that the Corporate Governance and Nominating Committee consider appropriate. Candidates for election should be willing to devote sufficient time to carry out their duties and responsibilities effectively, and should possess the highest personal and professional ethics, integrity, and values. Candidates must be committed to representing the long-term interests of Selective and its stockholders. The Corporate Governance and Nominating Committee will consider nominees recommended by stockholders for election as directors at an Annual Meeting of Stockholders but does not solicit such recommendations. The Corporate Governance and Nominating Committee applies the same standards in considering candidates submitted by stockholders as it does in evaluating candidates identified by other sources. Stockholders who wish to propose a nominee for consideration by the Corporate Governance and Nominating Committee must do so in writing addressed to the Chairman of the Corporate Governance and Nominating Committee, c/o the Corporate Secretary of Selective, 40 Wantage Avenue, Branchville, NJ 07890. The notification must contain all information relating to each person whom the stockholder proposes that the Corporate Governance and Nominating Committee consider for nomination as a director as would be required to be disclosed in a solicitation of proxies for the election of such person as a director pursuant to Regulation 14A under the Exchange Act.

DIRECTOR COMPENSATION

Compensation for non-employee directors in 2004 and 2005 is shown on the table below. Employee directors do not receive compensation for serving on the Board.

| COMPENSATION | 2005 | 2004 |
|--|------------|------------|
| Annual Retainer Fee ⁽¹⁾ | \$43,000 | \$43,000 |
| Annual Option Grant (in shares) ⁽²⁾ | 3,000 | 3,000 |
| Board Meeting Attendance | \$0 | \$0 |
| Committee Attendance Fee ⁽³⁾ | | |
| In person | \$1,500 | \$1,500 |
| By telephone | \$1,000 | \$1,000 |
| Annual Chairperson Fee ⁽⁴⁾ | | |
| Audit Committee | \$10,000 | \$10,000 |
| Salary & Employee Benefits Committee | \$10,000 | \$10,000 |
| Lead Director Fee ⁽⁵⁾ | \$10,000 | \$0 |
| Expenses | Reasonable | Reasonable |

- (1) The Annual Retainer Fee is set annually by the Corporate Governance and Nominating Committee. Pursuant to the Stock Compensation Plan for Nonemployee Directors (the "Directors Stock Plan") prior to April 26, 2005 and the Omnibus Stock Plan thereafter, directors, by December 20 of the prior year, must elect to receive the Annual Retainer Fee either (i) entirely in shares of common stock or (ii) in a combination of shares of common stock and cash, which must be 50% or less of the Annual Retainer Fee. The Annual Retainer Fee is paid in equal quarterly installments on the first (1st) day of January, April, July, and October. The number of shares of common stock issued in each quarterly installment is determined by multiplying the amount of Annual Retainer Fee to be paid in stock by one-quarter (0.25) and dividing that product by the average of the high and low sale price of Selective's common stock as quoted on NASDAQ on the payment date ("Fair Market Value"). By December 20 of the prior year, directors may also elect to defer the receipt of the Annual Retainer Fee and any dividends and accrued interest to a specified future year, the attainment of age 70, or termination of services as a director. On January 31, 2006, the Corporate Governance and Nominating Committee increased the Annual Retainer Fee for each non-employee Director to \$50,000, with at least 50% still provided through Selective's common stock.
- (2) Under the Stock Option Plan for Directors (the "Directors Option Plan") prior to April 26, 2005 and the Omnibus Stock Plan thereafter, each director automatically receives an option to purchase 3,000 shares of common stock on March 1 or the following business day if March 1 is on a weekend ("Automatic Director Option"). The exercise price for each option is the Fair Market Value and is payable in cash or in common stock. Each option vests on the first anniversary of its grant and has a term of ten (10) years. In the event of a director's death or disability, an option may be exercised, in whole or in part, by the director's executor, administrator, guardian or legal representative in accordance with the terms of such option. On January 31, 2006, the Corporate Governance and Nominating Committee decided to amend Selective's non-employee director compensation program so that each non-employee director annually receives equity awards of \$32,500 in restricted shares of Selective's common stock and \$32,500 in options under the Omnibus Stock Plan. Upon the Corporate Governance and Nominating Committee's recommendation, effective February 28, 2006, the Board amended the Omnibus Stock Plan to eliminate Automatic Director Option grants and make other conforming changes.
- (3) Committee Attendance Fees are paid in cash. Directors may also elect to defer the receipt of their Committee Attendance Fees and any interest thereon, to a specified future year, the attainment of age 70, or termination of services as a director.
- (4) Annual Chairman Fees are paid quarterly in cash. Directors may also elect to defer the receipt of their Annual Chairman Fee and any interest thereon, to a specified future year, the attainment of age 70, or termination of service as a director. On January 31, 2006, the Corporate Governance and Nominating Committee increased the Annual Chairperson Fee for the Audit Committee and the Salary and Employee Benefits Committee to \$12,500. Also at that time, the Corporate Governance and Nominating Committee adopted an Annual Chairperson Fee for each of the Corporate Governance and Nominating Committee and the Finance Committee of \$7,500.
- (5) The Corporate Governance and Nominating Committee set an annual fee of \$10,000 to be paid quarterly in cash to the Lead Director, effective January 1, 2005 and, on January 31, 2006, increased the Lead Director Fee to \$15,000.

- (1) Annual Compensation is paid by SICA, which also sponsors the employee benefit plans in which such executive officers participate.
- (2) Bonus payments in 2003 and 2004 were made pursuant to Selective's Annual Cash Incentive Plan. Bonus payments for 2005 were made pursuant to the Selective Insurance Group, Inc. Cash Incentive Plan ("Cash Incentive Plan"), approved by Selective's shareholders on April 26, 2005, as well as other awards granted by the Salary and Employee Benefits Committee to certain executive officers for personal achievement, which include \$251,250 to Mr. Murphy, \$36,500 to Mr. Connell, \$107,100 to Mr. Ochiltree, \$67,000 to Mr. Thatcher, and \$5,370 to Mr. Zaleski. Under the Cash Incentive Plan, employees receive a percentage of salary as Annual Cash Incentive Payments if they achieved specified personal goals and Selective achieves stated corporate performance goals. The amounts contained in this column reflect the amounts earned for the applicable fiscal year.
- (3) SEC rules do not require the reporting of perquisites and other personal benefits to the extent that the aggregate amount of such compensation is the lesser of either \$50,000 or 10% of the total annual salary and bonus reported for each named executive officer.
- (4) All amounts represent the dollar amount of the restricted stock on the date granted. Grants were made pursuant to the Selective Insurance Group, Inc. Stock Option Plan III ("Plan III"), under which such shares and their accumulated dividends cliff-vest four years from the date granted depending upon achievement of predetermined performance goals. The grants are subject to forfeiture should the named executive resign or be terminated for cause prior to vesting. The aggregate value of restricted stock awards at the end of 2005 was \$4,248,000 for Mr. Murphy, \$1,646,100 for Mr. Ochiltree, \$1,646,100 for Mr. Connell, \$1,646,100 for Mr. Thatcher, and \$1,646,100 for Mr. Zaleski. The aggregate number of restricted shares held at the end of 2005 was 80,000 by Mr. Murphy, 31,000 by Mr. Ochiltree, 31,000 by Mr. Connell, 31,000 by Mr. Thatcher, and 31,000 by Mr. Zaleski.
- (5) The amounts represent Selective's annual matching contribution on behalf of the named executive to Selective's Deferred Compensation Plan and to the Selective Insurance Company of America Retirement Savings Plan. The contributions to Selective's Deferred Compensation Plan reflected in the table for 2005 are \$17,035 for Mr. Ochiltree, \$15,278 for Mr. Connell, \$9,353 for Mr. Thatcher, and \$6,485 for Mr. Zaleski. The contributions to the Selective Insurance Company of America Retirement Savings Plan reflected in the table for 2005 are \$8,721 for Mr. Murphy, \$505 for Mr. Ochiltree, \$445 for Mr. Connell, \$3,903 for Mr. Thatcher and \$359 for Mr. Zaleski. In addition, the amounts for Mr. Ochiltree also include \$2,037, which represents the difference between the market rate of interest and the actual rate of interest on indebtedness of such executive officer to Selective.

OPTION/SAR GRANTS IN LAST FISCAL YEAR

The following table sets forth information concerning stock option grants in 2005 to each of the named executive officers in the Summary Compensation Table. No stock appreciation rights (“SARs”) were granted in 2005.

- (1) There can be no assurance provided to any executive officer or any other holder of Selective’s securities that the actual stock price appreciation over the (ten) 10-year option term will be at the assumed 5% and 10% compounded annual rates or at any other defined level. Unless the market price of the common stock appreciates over the option term, no value will be realized from the option grants made to the named executive officers.
- (2) The stock options were granted under Plan III. Plan III permits the granting of options to all employees and permits the granting of SARs in tandem with any or all stock options. If a SAR is exercised, the employee must surrender the related stock option or portion thereof. Upon exercise of a SAR, payment will be made by Selective in stock, cash, or some combination thereof as a committee appointed by the Board of Directors shall determine at the time of exercise. None of the options granted to the named executive officers in 2004 have SARs attached. Under the terms of Plan III, options or any related SARs, may be granted at no less than fair market value as of the date of grant. Options or any related SARs must be exercised within ten (10) years from the date of grant. In the event of any change in the number of outstanding shares of Selective’s common stock as a result of a stock dividend, stock split, or other readjustments, the committee appointed by the Board of Directors shall make an appropriate adjustment in the aggregate number of shares which may be subject to stock options granted under Plan III and in the number of shares subject to and the option price of each then outstanding option.
- (3) The exercise price is equal to the fair market value of the common stock on the date of grant.
- (4) The options may be exercised beginning on February 1, 2006.

DEFINED BENEFIT PENSION PROGRAM

Selective maintains a non-contributory retirement income plan (the “Pension Plan”) that benefits most employees whose employment with Selective commenced on or before December 31, 2005, including the named executive officers. Selective also maintains an unfunded supplemental benefit plan, as permitted under the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), to provide payments to Pension Plan participants equal to the difference between (i) the benefit payable to a participant under the Pension Plan calculated without regard to ERISA and Internal Revenue Code limitations on annual amounts payable under the Pension Plan, and (ii) the benefit payable to the participant pursuant to such limitations. The Pension Plan was amended as of July 1, 2002, to provide for different calculations based on service with Selective as of that date.

Pension Plan Table I illustrates annual pension benefits, including supplemental benefits, at normal retirement (age 65) for various years of credited service in the form of a single life annuity and prior to any offset for Social Security benefits for participants. As shown on the Summary Compensation Table on page 18, Salary is the only compensation covered by the Pension Plan; Bonus and Other Annual Compensation is not covered by the Pension Program.

The following table lists the estimated credited years of service for the named executive officers that qualify for the pension benefits depicted on Pension Plan Table I:

| Named Executive Officer | Average Monthly Compensation as of December 31, 2005 | Years of Service as of December 31, 2005 |
|--------------------------------|---|---|
| Gregory E. Murphy | 53,432.69 | 24 |
| Jamie Ochiltree, III | 28,255.77 | 10 |

Monthly Pension Program benefits at normal retirement age are computed by adding two calculations. The first is the former plan calculation which provides for 2% of “average monthly compensation” (based on the monthly average of the member’s compensation for the 60 months out of the most recent 120 months of employment preceding the member’s termination of employment for which the employee’s compensation is the highest) less 1 3/7% of a Social Security benefit multiplied by the number of years of benefit service through June 30, 2002 (up to a maximum of 35 years). The second calculation provides for 1.2% of average monthly compensation (as defined herein) multiplied by the number of years of benefit service after June 30, 2002.

Pension Plan Table II illustrates annual pension benefits, including supplemental benefits, at normal retirement (age 65) for various years of credited service in the form of a single life annuity and prior to any offset for Social Security benefits for participants. As shown on the Summary Compensation Table on page 18, Salary is the only compensation covered by the Pension Program; Bonus and Other Annual Compensation is not covered by the Pension Plan.

The following table lists the estimated credited years of service for the named executive officers that qualify for the pension benefits depicted on Pension Plan Table II:

| Named Executive Officer | Average Monthly Compensation as of December 31, 2005 | Years of Service as of December 31, 2005 |
|--------------------------------|---|---|
| Richard F. Connell | 25,387.82 | 4 |
| Dale A. Thatcher | 20,579.81 | 4 |
| Ronald J. Zaleski | 24,381.73 | 5 |

Monthly Pension Plan benefits at normal retirement age are computed by comparing two calculations and providing the benefit which is the greater of the two. The first is the former plan calculation which provides for 2% of “average monthly compensation” (based on the monthly average of the member’s compensation for the 60 months out of the most recent 120 months of employment preceding the member’s termination of employment for which the employee’s compensation is the highest) less 1 3/7% of a Social Security benefit multiplied by the number of years of benefit service through June 30, 2002 (up to a maximum of 35 years). The second calculation provides for 1.2% of average monthly compensation (as defined herein) multiplied by all years of benefit service.

Effective January 1, 2006, the Pension Plan closed to employees hired after December 31, 2005.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT, AND CHANGE-IN-CONTROL AGREEMENTS

EMPLOYMENT AGREEMENTS

Messrs. Murphy, Ochiltree, Connell, and Thatcher have employment agreements with SICA, which contain similar terms and conditions. The agreement entered into between Mr. Murphy and SICA on August 1, 1995 was most recently amended on May 1, 2004. Pursuant to the terms of the agreement, Mr. Murphy receives an annual salary of not less than \$700,000. The agreement entered into between Mr. Ochiltree and SICA on October 21, 1995 was most recently amended on May 1, 2004. Pursuant to the terms of the agreement, Mr. Ochiltree receives an annual salary of not less than \$374,000. The agreement entered into between Mr. Connell and SICA on August 8, 2000 was most recently amended on March 1, 2003. Pursuant to the terms of the agreement, Mr. Connell receives an annual salary of not less than \$300,000. The agreement entered into between Mr. Thatcher and SICA on May 5, 2000, was most recently amended on March 1, 2003. Pursuant to the terms of the agreement, Mr. Thatcher receives an annual salary of not less than \$235,000. If any of these executive officers are not re-elected to their current position, or are terminated without cause, he will be entitled to receive severance pay equal to his salary and certain benefits in effect at the time of his termination of employment for a period of two (2) years after the date of such termination, payable in monthly installments. If any of these executive officers is terminated for cause, he is entitled to receive that portion of his salary earned to the date of his termination and the benefits accrued to him under certain employee benefit plans to the date of such termination, to the extent that such benefits may be payable to him under the provisions of such plans in effect on the date of the termination of his employment. Selective has guaranteed SICA's performance of all its obligations under the employment agreements.

TERMINATION AGREEMENTS

Messrs. Murphy, Ochiltree, Connell, Thatcher, and Zaleski have termination agreements with SICA pursuant to which payments will be made under certain circumstances following a Change in Control (as defined in the agreements) of Selective. Each of these agreements is automatically renewable for successive one-year terms, unless prior written notice of non-renewal is given. Each agreement provides that, in the event of a Change in Control of Selective, SICA will continue to employ the executive officer in the capacities in which he was serving immediately prior to the Change in Control for a period of three (3) years, commencing on the date on which the Change in Control shall have occurred, which term will be automatically renewed for successive one-year periods unless prior written notice is given. Each agreement provides that if the executive officer's employment is terminated as set forth in the agreement after a Change in Control occurs, other than (i) due to the executive officer's death or retirement, (ii) by SICA for Cause or Disability (as defined in the agreement), or (iii) by the executive officer other than for Good Reason (as defined in the agreement), the executive officer will be entitled to receive earned but unpaid base salary through the date of termination, as well as any incentive compensation benefits or awards that have been accrued, earned, or become payable but which have not been paid, and as severance pay in lieu of any further salary for periods subsequent to the date of termination, an amount in cash equal to his "annualized includible compensation for the base period" (as defined in Section 280G(d)(1) of the Internal Revenue Code, multiplied by a factor of 2.99, provided that if any of the payments or benefits provided for in the agreement, together with any other payments or benefits that the executive officer has the right to receive would constitute a "parachute payment" (as defined in Section 280G(b) of the Internal Revenue Code), Selective will pay to the executive officer on a net after-tax basis the greater of (i) the payments and benefits due to the executive officer reduced in order of priority and amount as executive officer shall elect, to the largest amount as will result in no portion of such payments being subject to the excise tax imposed by Section 4999 of the Internal Revenue Code or (ii) payments and benefits due to the executive officer, plus an amount in cash equal to (x) the amount of such "excess parachute payments" multiplied by (y) twenty (20%) percent. Selective has guaranteed SICA's performance of all its obligations under the termination agreements.

**COMPENSATION COMMITTEE INTERLOCKS
AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS**

During 2005, the following directors served as members of the Salary and Employee Benefits Committee: A. David Brown, Paul D. Bauer, John C. Burville, C. Edward Herder, and J. Brian Thebault. Mr. Herder retired from the Board of Selective, effective December 31, 2005, and John C. Burville was appointed to the Salary and Employee Benefits Committee, effective January 1, 2006.

None of these individuals was employed in 2005 as an officer or an employee of Selective or one of its subsidiaries or was formerly an officer of Selective or any of its subsidiaries. REPORT OF THE SALARY AND EMPLOYEE BENEFITS COMMITTEE

Selective's Salary and Employee Benefits Committee ("SEBC") establishes general executive compensation policies and establishes the salaries and bonuses of Selective's executive officers, including the Chief Executive Officer. The Board of Directors did not modify any action or recommendation made by the SEBC with respect to executive compensation in 2005.

The following table summarizes the key policies, factors, and other compensation information that the SEBC used in determining executive compensation in 2005:

In 2005, the SEBC retained an independent compensation consultant to provide advice on executive compensation matters, including the base salary and incentive compensation levels for executive officers. The consulting firm furnished the SEBC with compensation surveys and data for purposes of comparing Selective’s executive compensation levels with those at companies within and outside the industry with which Selective competes for executive talent and is providing the SEBC with specific recommendations for maintaining Selective’s executive compensation at a level competitive with the marketplace.

Section 162(m) of the Internal Revenue Code disallows a tax deduction to publicly held companies for compensation paid to certain of their executive officers, to the extent that compensation exceeds \$1 million per covered officer in any fiscal year and is not under a stockholder approved plan. The limitation applies only to compensation that is not considered to be performance-based. The SEBC intends, to the extent practicable, to preserve deductibility under the Internal Revenue Code for compensation paid to its executive officers while maintaining compensation programs to attract and retain highly qualified executives in a competitive environment.

Independent Insurance Agencies

Selective’ stockholders are being asked to approve the Selective Insurance Group, Inc. Stock Purchase Plan for Independent Insurance Agencies (the “Agencies Stock Purchase Plan”). INFORMATION ABOUT PROPOSAL 3
Ratification of Appointment of
Independent Public Accountants

The Audit Committee has appointed KPMG LLP to act as Selective's independent public accountants for the fiscal year ending December 31, 2006. The Board of Directors has approved the appointment and has directed that such appointment be submitted to Selective's stockholders for ratification at the Annual Meeting.

Stockholder ratification of the appointment of KPMG LLP as Selective's independent public accountants is not required. The Board of Directors, however, is submitting the appointment to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee and the Board of Directors will reconsider whether or not to retain KPMG LLP or another firm. Even if the appointment is ratified, the Board of Directors, in its discretion, may direct the appointment of a different auditing firm at any time during the 2006 fiscal year if the Board determines that such a change would be in the best interests of Selective and its stockholders.

Representatives of KPMG LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions. In 2005, Selective paid KPMG LLP \$1,212,800 for audit and audit-related services. No non-audit services were provided by KPMG LLP to Selective in 2005.

AUDIT COMMITTEE REPORT

The Audit Committee oversees Selective's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for overseeing preparation of the financial statements and the overall reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee has periodically met with and held discussions with management regarding the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in Selective's financial statements. The Audit Committee reviewed the audited financial statements for the year ended December 31, 2005, included in the Annual Report with management. Management represented to the Audit Committee that (i) the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and (ii) management had reviewed Selective's disclosure controls and procedures and believes those controls are effective.

The Audit Committee reviewed with KPMG LLP, Selective's independent public accountants who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of Selective's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including the Statement on Auditing Standards No. 61, as may be modified or supplemented. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and Selective, including the matters in the written disclosures delivered to the Audit Committee and required by the Independence Standards Board in Standard No. 1 (Independence Discussion with Audit Committee), as may be modified or supplemented.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) the inclusion of the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC. The Committee and the Board have also recommended, subject to stockholder approval, the selection of KPMG LLP as Selective's independent public accountants.

The Audit Committee Report does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that Selective specifically incorporates the Audit Committee Report by reference therein.

Fees of Independent Public Accountants

KPMG LLP, Selective's independent public accountants, provided services in the following categories and amounts in 2005 and 2004:

| Category | 2005 | 2004 |
|-----------------------------------|--------------------|--------------------|
| Audit Fees | 1,039,800 | \$1,263,850 |
| Audit-Related Fees ⁽¹⁾ | 173,000 | \$88,750 |
| Tax Fees | \$0 | \$0 |
| All Other Fees | \$0 | \$0 |
| TOTAL | \$1,212,800 | \$1,352,600 |

⁽¹⁾ Audit-Related Fees for 2004 and 2005 consisted primarily of the independent actuarial review and reserve opinion related to the Audit. The Audit-Related Fees for 2005 also include audits of the employee benefit plans for 2004 and 2005.

The Audit Committee has a Pre-Approval Policy that requires pre-approval of audit and audit-related services on an annual basis and authorizes the Audit Committee to delegate to one or more of its members pre-approval authority with respect to permitted services. In 2005, the Audit Committee pre-approved all audit and audit-related services and concluded that KPMG LLP's provision of such services was compatible with the maintenance of KPMG LLP's independence in the conduct of its auditing functions. KPMG LLP provided no tax services or non-audit related services in 2005. Any such future services also would require Audit Committee pre-approval on an individual engagement basis.

**SELECTIVE INSURANCE GROUP, INC.
STOCK PURCHASE PLAN FOR INDEPENDENT INSURANCE AGENCIES
(Effective July 1, 2006)**

1. PURPOSE; GENERAL

The purpose of the Selective Insurance Group, Inc. Stock Purchase Plan for Independent Insurance Agencies (the “Plan”) is to motivate independent insurance agencies that sell products and services for the insurance company subsidiaries of Selective Insurance Group, Inc., a New Jersey corporation (the “Company”), by enabling them to participate in the Company’s long-term growth and success and to help align their success with those interests of the Company’s stockholders.

The Plan allows each Eligible Agency (as defined in Section 2(a) below) and those eligible Principals, Key Employees and Benefit Plans (each as defined in Section 2(a) below, and collectively referred to as the “Eligible Persons”) designated by the Eligible Agency to purchase shares of the common stock of the Company, par value \$2.00 per share (“Common Stock”) at a discount as described below. An Eligible Agency or Eligible Person may elect to apply all or a portion of its Earned Cash Commissions (as defined in Section 2(c) below) and its distributions from the Company’s profit sharing commitment (the “Profit Sharing Plan”) to the purchase of shares of Common Stock under the Plan.

Each Eligible Agency, together with its designated Eligible Persons (each such Eligible Agency and its designated Eligible Persons a “Participant”), may invest up to the applicable Maximum Contribution Amount (as described in the chart below) per calendar quarter under the Plan on certain Purchase Dates (as defined in Section 2(c) below), based upon the amount of total Written Premiums (as defined below) by such Eligible Agency during the previous calendar year with one or more of Selective’s insurance subsidiaries, as follows:

| Written Premiums | Maximum Contribution Amounts |
|---|-------------------------------------|
| Less than \$2,000,000 | \$30,000 |
| \$2,000,000 or more but less than \$5,000,000 | \$50,000 |
| \$5,000,000 or more | \$75,000 |

“Written Premiums” include all written premiums, less cancellations and returns, recorded by the Company and its insurance subsidiaries, but do not include:

1. Premiums for policies written through pools, associations, or syndicates;
2. Premiums for insurance written in any reinsurance facility, joint underwriting association, or other insurance program required by law;
3. Policyholder dividends, expense fees, surcharges, and other like charges;
4. Premiums from any accident and health, systems breakdown, and flood policies;
5. Premiums for alternative market business, including, but not limited to, retrospectively rated policies and assumed business; and
6. Premiums for policies, coverages, or plans that the Committee (as defined in Section 6 hereof) may exclude from this Plan.

There is a \$100 (one hundred dollar) minimum for purchases under the Plan by a Participant per calendar quarter. If a Participant does not purchase \$100 (one hundred dollars) per a calendar quarter, any amounts below such minimum will be refunded, without interest, to such Participant by check as soon as practicable after the end of the quarter. The Company offers shares of Common Stock under the Plan at a 10% discount from Fair Market Value (as defined below) on the Purchase Date and Participants pay no brokerage commissions or other charges on purchases of such shares under the Plan. Fair Market Value is defined as the closing selling price for the Common Stock reported on the NASDAQ National Market on the applicable Purchase Date.

2. PARTICIPATION IN THE PLAN

(a) Eligibility

Each eligible independent insurance agency that is under contract with any of the insurance subsidiaries of the Company to promote and sell Company's subsidiaries' insurance products, other than such agencies that promote and sell only the Company's subsidiaries' flood insurance products (each, an "Eligible Agency") is eligible to participate in the Plan and to purchase shares of Common Stock under the Plan. Also eligible to purchase shares under the Plan in conjunction with an Eligible Agency are the following Eligible Persons:

- principals, general partners, officers, and stockholders of, and designated by, an Eligible Agency (collectively, "Principals");
- key employees of an Eligible Agency designated by such Eligible Agency ("Key Employees"); and
- individual retirement plans of Principals and Key Employees, Keogh plans of Principals and Key Employees, and employee benefit plans of, and designated by, an Eligible Agency (collectively, the "Benefit Plans").

No later than July 1, or the next business day following such day, of each year, each Eligible Agency shall provide to the Company, at the address contained in Section 2(c) hereof or by e-mail to agentstockplan@selective.com, a list of all Eligible Persons designated by such Eligible Agency as of such date for the next succeeding year. The Eligible Agency shall notify the Company of any deletions from such list no later the next Contribution Date (as defined in Section 2(c) hereof). Eligible Agencies may not add any Principals, Key Employees, or Benefit Plans to the list of Eligible Persons designated by such Eligible Agency until July 1 of the next succeeding year. The Committee or its designee shall, in its sole discretion, determine whether any Eligible Agency, or Eligible Person designated by an Eligible Agency, is ineligible to be a Participant in the Plan.

Eligible Agencies and Eligible Persons are under no obligation to participate in the Plan or to purchase shares of Common Stock under the Plan. If an Eligible Agency and/or its Eligible Persons choose not to participate in the Plan, the Eligible Agency and/or its Eligible Persons, as applicable, shall receive the Earned Cash Commissions (as defined in Section 2(c) below) and the distributions from the Profit Sharing Plan to which they are entitled. The Plan is for the benefit only of the Participants. No other persons shall be direct or indirect beneficiaries or participants in the Plan. The Company shall not be obligated with respect to the Plan under any other arrangements between an Eligible Agency and any other person, including, but not limited to, the Eligible Agency's Principals, Key Employees, and Benefit Plans.

(b) Enrollment in the Plan

The Company shall send to each Eligible Agency:

- a copy of the Plan;
- an enrollment/purchase form;
- a copy of a prospectus and any prospectus supplements; and
- a copy of the most recent Annual Report of the Company.

If an Eligible Person wishes to participate in the Plan, the Eligible Agency and each participating Eligible Person must complete and sign the enrollment/purchase form and return the form to the Company at the address contained in Section 2(c) hereof. Eligible Agencies may obtain additional forms by written or telephonic request to the Company, attention: "Accounts" at the address contained in Section 2(c) hereof or by calling (973) 948-3000.

An Eligible Person shall become a Participant in the Plan only (i) after the Eligible Agency affiliated with such Eligible Person has received a copy of the Plan, a prospectus, any applicable prospectus supplement or supplements, and the most recent Annual Report of the Company, (ii) after the Company has received a properly

completed enrollment/purchase form signed by such Eligible Agency and such Eligible Person, and (iii) if such Eligible Person has not been determined to be ineligible to become a Participant in the Plan by the Committee or its designee pursuant to Section 2(a) hereof. By returning a properly completed and signed form to the Company, the Eligible Agency and participating Eligible Person each acknowledge the receipt of the documents described in subsection (i) of the previous sentence.

(c) Purchasing Shares of Common Stock

Shares may generally be purchased by Participants under the Plan on the first day of March, June, September, and December of each year or the next succeeding business day (each a "Purchase Date" and collectively, the "Purchase Dates"), however, the Company does not guarantee that such days will be Purchase Dates and may designate other dates as Purchase Dates. The Company does not pay any interest on cash payments received under the Plan.

Once each calendar quarter, and prior to a Contribution Date (as defined below), the Company shall provide enrollment/purchase forms to each Eligible Agency. Purchases shall be made under the Plan on the next applicable Purchase Date.

Each Participant shall designate the dollar amount to be invested (the "Contribution Amount") on the next Purchase Date on the appropriate sections of the enrollment/purchase form. Each Participant shall designate (i) the amount, if any, of the Contribution Amount that is to be paid in cash by check, (ii) the percentage, if any, that is to be deducted from monthly payments of Earned Cash Commissions (as defined below) and applied to the Contribution Amount, and (iii) the percentage, if any, that is to be deducted from the Participant's distributions under the Profit Sharing Plan and applied to the Contribution Amount. The Contribution Amount designations regarding the Earned Cash Commissions and Profit Sharing Plan shall remain in effect until revoked or modified in writing by such Participant, which revocation or modification will take effect for the next practicable Purchase Date. The Contribution Amount designation regarding cash shall only remain in effect for the next Purchase Date.

"Earned Cash Commissions" means those commissions that are fully earned and are due and payable to a participating Eligible Agency for personal and commercial direct bill policies after all offsetting debits and credits are applied, as determined by and solely from the records of the Company and its subsidiaries.

For each Participant, the enrollment/purchase form must include:

- such Participant's full name and address;
- such Participant's social security or taxpayer identification number; and
- the amount of cash, if any, and percentages of Earned Cash Commissions and/or Profit Sharing Plan payments, if any, to be invested in shares of Common Stock for each Eligible Person for whom purchase instructions are submitted.

In addition, each Participant must sign their enrollment/purchase form and certify to the Company receipt of a copy of the Plan, any prospectus or supplements thereto, and a copy of the most recent Annual Report of the Company. The form must be signed by the applicable Eligible Agency and each affiliated Eligible Person listed on the form.

Completed and signed enrollment/purchase forms must be sent to the Company at:

Selective Insurance Group, Inc.
40 Wantage Avenue
Branchville, New Jersey 07890
Attention: Accounts

Properly completed forms and necessary payments must be received by the Company within 10 business days prior to the applicable Purchase Date (the "Contribution Date"). The Company will perform such necessary ministerial and clerical work regarding the forms as to effect the transaction and promptly forward

enrollment/purchase information to the Plan Agent (as defined in Section 2(d) hereof). If necessary payments are not received by the applicable Contribution Date, the purchase will not be effected and any payments received after the Contribution Date will be returned.

(d) Purchased Shares and Participants' Accounts

The Company shall record the ownership of the shares of Common Stock purchased through the Plan in book-entry form. When a Participant makes his or her first purchase of shares of Common Stock under the Plan, the Company shall establish an account for each such Participant with Wells Fargo Shareowner Services, the Company's transfer agent and registrar (the "Plan Agent"). Each time a Participant purchases shares of Common Stock, the shares shall be credited to the Participant's account and the Company shall record the shares on its Common Stock records. The Participant shall receive a written account statement following each purchase of shares. A Participant may vote all shares of Common Stock held in his or her account.

(e) Restrictions on Shares Purchased under the Plan

Shares of Common Stock purchased under the Plan shall be restricted for a period of one year beginning on the Purchase Date and expiring upon the first anniversary of the Purchase Date (the "Restricted Period"). During the Restricted Period, the Participant may not sell, transfer, pledge, assign, or dispose of his or her shares of Common Stock in any way. During this period, the Plan Agent shall hold the Participant's shares of Common Stock in the Participant's account, but no share certificates shall be issued. However, a Participant shall be able to vote his or her shares of Common Stock during the Restricted Period and shall receive any dividends declared by the Board of Directors of the Company (the "Board"). The Participant shall own all of the shares in his or her account and none of the Participant's shares of Common Stock shall be subject to forfeiture.

Following the expiration of the Restricted Period, the Participant's shares of Common Stock shall remain in his or her account until the Participant requests, in writing to the Plan Agent, that the shares be transferred, that the shares be sold, that certificates be issued to the Participant, or that the Participant's account be closed.

If an Eligible Agency closes its account, it may re-enroll in the Plan at any time it is eligible to participate by completing a new enrollment/purchase form. An Eligible Person may similarly re-enroll in the Plan, provided the Eligible Person is on the list of Eligible Persons designated by the Eligible Agency.

3. SHARES AVAILABLE UNDER THE PLAN

The maximum number of shares of Common Stock reserved for issuance under the Plan shall be 1,500,000 (one million five hundred thousand) and subject to adjustment as provided herein. The Company may make the shares available from authorized but unissued shares of Common Stock or authorized and issued shares of Common Stock held in the Company's treasury, including shares purchased by the Company in the open market.

In the event that the Board determines that any stock dividend or other distribution, extraordinary cash dividend, stock split or reverse stock split, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, exchange of shares, warrants, rights offering to purchase shares of Common Stock at a price substantially below fair market value, or other similar corporate transaction or event affects the Common Stock so that an adjustment is required in order to preserve the benefits or potential benefits intended to be made available under the Plan, then the Board may, in its sole and absolute discretion, adjust any or all of the number and type of shares which may be available under the Plan.

4. DIVIDENDS; DIVIDEND REINVESTMENT

The Company pays dividends, as and when declared by the Board, to the record holders of shares of Common Stock. As the record holder of shares of Common Stock purchased under the Plan, a Participant shall receive dividends, if any, in cash for all shares registered in the Participant's name on the record date. Such payment shall be made on the date that such dividend would be paid to the Company's stockholders generally.

Any dividend payable in Common Stock or any split shares distributed by the Company on shares purchased under the Plan shall be deposited in the Participant's account with the Plan Agent. Any shares received as the result of a stock split shall be subject to the same restrictions on transfer as the shares purchased under the Plan. Shares received as dividends shall not be subjected to any transfer restrictions.

Participants in the Plan are also eligible to participate in the Company's dividend reinvestment plan pursuant to the terms and conditions of that plan. If a Participant elects to participate in the Company's dividend reinvestment plan, the Participant shall be entitled to reinvest his or her dividends to purchase additional shares of Common Stock. There is no discount on the purchase price of shares under the Company's dividend reinvestment plan. The transfer restrictions applicable to shares purchased under the Plan shall not apply to any shares purchased under the Company's dividend reinvestment plan. Wells Fargo Shareowner Services is the plan administrator of the Company's dividend reinvestment plan. Information about the Company's dividend reinvestment plan may be obtained from the Company or from Wells Fargo Shareowner Services.

5. OTHER STOCKHOLDER RIGHTS; INFORMATION REPORTING

If the Company has a rights offering, Participants in the Plan shall be entitled to participate based upon their total share holdings. Rights on shares of Common Stock purchased under the Plan and registered in the name of a Participant shall be mailed directly to that Participant in the same manner as to stockholders not participating in the Plan.

Each Participant in the Plan shall receive the Company's annual and other periodic or quarterly reports issued to stockholders, notices of stockholder meetings, proxy statements and Internal Revenue Service information for reporting dividends paid and income resulting from the discount on the purchase of Common Stock under the Plan.

Each Participant shall be entitled to vote the shares purchased under the Plan and registered in that Participant's name on a record date for a meeting of stockholders. A Participant may vote in person or by proxy at any meeting of stockholders.

6. ADMINISTRATION OF THE PLAN, INQUIRIES, AND CORRESPONDENCE

The Plan shall be administered by the Salary and Employee Benefits Committee of the Board (the "Committee") or its designee. The Committee shall have the authority, in its sole discretion, subject to and not inconsistent with the express provisions of the Plan, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan, including, without limitation, the authority to:

- construe and interpret the Plan;
- make adjustments in response to changes in applicable laws, regulations, or accounting principles, or for any other reason;
- prescribe, amend, and rescind rules and regulations relating to the Plan and appoint such agents as it shall deem appropriate for the proper administration of the Plan, in accordance with Section 7 hereof; and
- make all other determinations deemed necessary or advisable for the administration of the Plan.

Determinations of the Committee shall be final, conclusive, and binding on all persons, and the Committee will not be liable for any action or determination made in good faith with respect to the Plan.

The Committee shall engage the Plan Agent to perform custodial and record-keeping functions for the Plan, such as holding record title to the Participants' shares, maintaining an individual investment account for each Participant, and providing periodic account status reports to each Participant.

All enrollment/purchase forms should be sent to the Company. All other inquiries and correspondence should be sent to:

Wells Fargo Shareowner Services
P.O. Box 64854
St. Paul, Minnesota 55164-0854

Telephone inquiries may be directed to the Company at (973) 948-3000 or to Wells Fargo Shareowner Services at (866) 877-6351.

The Company pays all of its administrative expenses related to the Plan. Plan Participants pay no brokers commissions or administrative or other charges for purchases of Common Stock under the Plan.

7. AMENDMENT OR TERMINATION OF THE PLAN

Either the Board or the Committee may amend, revise, suspend, or terminate the Plan at any time and in any respect whatsoever; *provided, however*, that stockholder approval shall be required for any such amendment if and to the extent such approval is required in order to comply with applicable law or any stock exchange listing requirement.

8. RIGHTS NOT TRANSFERABLE

Rights under the Plan are not transferable by a Participant other than by will or the laws of descent and distribution and are exercisable during the Participant's lifetime only by the Participant.

9. RIGHT TO CONTINUED EMPLOYMENT OR AGENCY STATUS

Nothing in the Plan or any enrollment/purchase form shall confer an obligation on the Company or any Eligible Agency to employ or continue the employment or service of any Participant for any specified period of time and shall not lessen, affect, or interfere with the Company's or any Eligible Agency's right to terminate the employment or service of any such Participant at any time or for any reason not prohibited by law.

10. APPLICABLE OR GOVERNING LAW; SEVERABILITY

Except to the extent preempted by any applicable federal law, the Plan shall be construed and administered in accordance with the laws of the State of New Jersey without reference to its principles of conflicts of law.

If any provision of the Plan is held to be invalid or unenforceable, the other provisions of the Plan shall not be affected but shall be applied as if the invalid or unenforceable provision had not been included in the Plan.
